## AVAILABLE SIZE'S

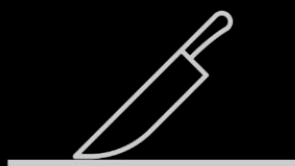

## ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by our Ceramic are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

A high-angle photograph of a dining area. In the center is a rectangular wooden dining table with a natural wood grain finish. Six blue upholstered chairs with dark wood legs are arranged around the table. An open newspaper or magazine lies on the table. The floor is covered in large, light-colored marble tiles with prominent, swirling veins of beige and cream. In the background, there is a large window with a wooden frame and a potted plant on a dark tray. The walls are made of light-colored wood. The overall lighting is bright and even.

A child's room featuring a large, polished marble floor with a beige and cream pattern. In the background, a wooden desk is cluttered with various items, including a yellow suitcase, a striped bag, a white mug, and a small potted plant. A metal folding chair is tucked under the desk. To the left, a yellow suitcase sits on a black metal stool, with a light blue suitcase on top. In the foreground, a grey and black striped cat toy on wheels and a yellow and white cushion with the word 'hello' are on the floor. The room is brightly lit, with reflections on the glossy floor.

A wide-angle photograph of a modern office lobby. The floor is made of light-colored, polished travertine tiles with a subtle veining pattern. In the center, a long, dark wood reception desk with a glowing, textured interior panel is visible. Behind the desk, a glass-walled office area contains several desks with computers. To the left, a large, textured stone pillar stands next to a wooden door. To the right, a hallway with a dark wood wall and a glass door leads away. The ceiling features recessed lighting, and the overall atmosphere is clean and professional.
